

BIOGRAPHY – DONYIELLE HOLLEY

Ms. Holley brings over twenty years of leadership and entrepreneurial experience to Quantum CDC and this industry at large. She is responsible for leading a dynamic small business development center which provides assistance to small and home-based business owners with building and growing their businesses. They provide access to technical assistance, shared office facilities and resources, accounting and financial reporting services, education and counseling, government compliance, and assistance with business financing. Quantum's entrepreneurial program is designed with the goal of engaging and empowering entrepreneurs from mindset to implementation.

Ms. Holley is also founder of Miraculous Results Business Coaching where she provides one-on-one in-depth business coaching and training services. She has facilitated training programs at organizations such as the City of Los Angeles, Los Angeles Foodbank, REI/WIC, Girls Club of Los Angeles, Southwest College and various other organizations over the past 20 years.

She has a Bachelor of Science Degree in Computer Science from the University of California at Irvine, and advanced certifications in Neuro Linguistic Programming and behavioral modification from H.M.I.

As a manager, trainer and coach, Ms. Holley is committed to helping entrepreneurs to develop their leadership and entrepreneurial skills.
